

About UnLtd, the Foundation for Social Entrepreneurs

UnLtd finds, funds and supports passionate and committed social entrepreneurs who are determined to tackle today's most challenging social issues, and is a key leader of the social entrepreneurship sector in the UK.

Since beginning in 2002, UnLtd has given out just under 20,000 awards of support and funding - direct and through partners - to social entrepreneurs to start up and scale their impact. It supports ambitious individuals running ventures firmly rooted in delivering positive social change.

In 2018/19 UnLtd:

- Supported 458 people to make their vision for social change a reality
- Granted £1,900,000 in early stage funding
- Invested £1,000,000 to scale ventures through the Impact Fund
- Benefitted 333,000 people through the social entrepreneurs supported

UnLtd brings together insight and innovation from across the world so that social entrepreneurs can fulfil their potential to change the UK for the better.
